Field Training Officer: Developing Excellence

The Field Training Officer is a vital link to agency success. This two-day course equips high-performing officers to serve as trainers, mentors, and leaders for new employees. Participants will learn to coach, inspire, and develop recruits into effective street officers while acting as informal supervisors. With a focus on leadership, communication, and accountability, this program empowers FTOs to shape the next generation of law enforcement and strengthen organizational culture.

12/7-12/8/26
0830-1630
