

CHILD ABUSE INVESTIGATIONS FOR PATROL

CCN 1515-31525

COURSE FEE: \$250

This 8-hour POST-certified training equips patrol-level law enforcement personnel with practical, field-focused skills to recognize and respond to suspected child abuse. Moving beyond basic academy instruction, this course emphasizes real-world indicators, critical decision-making, and effective onscene actions to support successful investigations and victim protection.

WHY THIS CLASS IS DIFFERENT:

- Extends beyond statutory knowledge to real-world recognition and responses to various types of abuse
- Focuses on what patrol officers actually encounter on calls for service
- Provides actionable steps for first responders to avoid common mistakes
- Built from real cases and investigative experience
