

A Street Level Interdiction Class

Whether you work the backroads of a rural county, the interstate or the busiest streets in the city. This course gives you the tools to spot behavior, read reactions, and turn ordinary encounters into major arrests.

You signed up to find it. To stop it. To go **hands-on with criminals**, not just take reports. This class is for **real cops** — the ones who chase more than stats. Whether you're rural or urban, rookie or vet, if you believe in the job, this course is built for you.

This dynamic course goes beyond routine patrol, you'll walk with:

- ⚡ How to identify behavior and body language — and understand why it matters
- ⚡ How to turn simple stops into major arrests
- ⚡ **Street-smart knowledge** of case law you can use during encounters and defend in court
- ⚡ Proactive tactics that make you safer — reduce resistance and increase compliance
- ⚡ A better knowledge of reaction-based policing
- ⚡ Dominate roadside conversations with confidence and control
- ⚡ Build bulletproof reports and articulate solid reasonable suspicion
- ⚡ **Confidence to initiate legal**, consensual encounters that lead to real seizures and arrests
- ⚡ Report examples, Case Law handout, TEMP Tag guide and Vehicle search techniques

REAL FOOTAGE. REAL CRIMINALS. REAL LESSONS.

You'll hear from a real smuggler and real criminals — actual body-cam-recorded interviews that expose how they try to beat you.

Know the law. Control the contact. Make it home and make it count. This class puts you in the position to dominate the stop — find the dope, take the guns, recover the car, seize the cash and find the criminals most miss.

This class isn't theory — it's real-world tactics, backed by firsthand experience, and proven on the street. All of it backed by **real footage, raw and unfiltered**.

If you're new, this will set your foundation. If you're experienced, this will sharpen your edge.

I didn't build this class to check boxes. I built it to flip a switch —To send you back to the road with a **sharper mindset, better instincts, and the drive to catch what most miss.**

\$250

You'll leave this course different. **More confident. More dangerous. More effective.**

The only thing that matters now — is what you do next!
