PRACTITIONER-LED TRAINING

INITIAL FTO CERTIFICATION

The Modern Field Training Officer

(BASIC FTO)

A three-day course for officers newly selected or assigned as Field Training Officers.

HOSTED BY MONTGOMERY COUNTY DPS

COURSE OVERVIEW

Being good at the job and teaching someone else to do it are different skills. This course prepares new FTOs to **train, coach, evaluate, document, and mentor newly hired officers** within a structured field training program, using objective standards that are fair, consistent, and defensible. Includes hands-on writing labs, scenario coaching, and a capstone evaluation.

01 The FTO role, ethics, and liability

02 Adult learning and field instruction

03 Coaching and real-time feedback

04 Objective performance evaluation

05 Daily observation reports and defensible documentation

06 Remediation, difficult trainees, and release decisions

WHO SHOULD ATTEND

- Officers newly selected or assigned as Field Training Officers
- Agencies certifying new FTOs before they take a trainee
- Current FTOs who have not completed a basic FTO course

Course Details
