

CATCHING PREDATORS ONLINE

Has your Agency wanted to catch predators in your area?

The internet is the new playground! This is a 2-day school on how to start online investigations for your agency. No matter how big or small your community is, predators are there or willing to travel there. The emphasis will be on chatting! You will begin chatting on day one with the assistance of an instructor, with presentations throughout both days.

Instructor:

Dave Murguia

Course Objectives:

- Learning to build UC profiles
 - Department Needs
- Entrapment issues and how to avoid them
- Case building
- Gathering Evidence
 - Meetups/Take downs
 - Interviews
- Court testimony

Anyone Can do these investigations!

Great way to identify predators in your community!

Low-cost investigations that make large impacts in the community!!

MURGUIA
ONLINE INVESTIGATIONS
LLC

Price: \$350

Instructor: Dave Murguia is a Sheriff's Deputy with 20 years of Law enforcement experience. He has conducted numerous Online enticing and sexual exploitation cases. These cases have been at both the state and federal level. The cases have primarily been in his jurisdiction but have also led to the identification and prosecution of predators in various parts of Iowa, throughout the United States and several other countries.
