ABOUT THE CLASS

TrapMate* Criminal Interdiction & Hidden Compartment Training is geared towards proactive officers looking to expand their knowledge in street-level patrol and criminal interdiction techniques. During this course, Jeramy Ellison, the owner and founder of Dynamic Police Training, will break down every aspect of a roadside encounter, including pre-stop indicators, vehicle registration, sequencing identification, staged and cloned vehicle identification, case law, reasonable suspicion, probable cause (PC) and consensual encounters, roadside interview techniques, and report writing.

Students will learn proper vehicle searching techniques to help locate concealed contraband in both passenger and commercial motor vehicles, as well as the identification of hidden compartments commonly used by cartels and other street-level organizations. Students will engage in hands-on training with REAL cartel trap cars and learn how to conduct a systematic search legally and professionally. This training includes an additional hands-on portion with battery traps, wheel traps, trap doors, latches and mechanisms, electronic clusters, relays, and much more! From beginner to advanced, this class will be an absolute game changer for your law enforcement career!

OUR MISSION

Dynamic Police Training is committed to delivering the most comprehensive and advanced law enforcement training available nationwide. Our team of instructors are highly skilled, providing exceptional training in a variety of specialties, including Criminal Interdiction, K-9 Training, Narcotics Investigations, Cartels Ops and more. We are passionate about preparing law enforcement officers to confront the challenges of their profession with cutting-edge and proven training techniques that work.

Having trained thousands of law enforcement officers around the United States and Canada, we take pride in our commitment to adhering to legal, ethical, and proper training standards, with a proven track record.

INSTRUCTOR

D

Jeremy Ellison, is the Owner and Founder of Dynamic Police Training with over 14 years of experience in Texas and Illinois, Jeremy has seized millions of dollars in U.S. currency, over a ton of narcotics, and a staggering number of hidden compartments in passenger motor vehicles, commercial trucks, and buses. In 2014, Jeremy's bust was aired live on Fox News, where he seized 111 pounds of methamphetamine from a compartment built inside a gas tank of a motor vehicle.

Jeremy prides himself on making self-initiated "cold" traffic stops and works all his cases from start to finish, giving him a wealth of knowledge in search warrants, felony arrest warrants, civil asset forfeitures, case law, and other valuable aspects of criminal investigations. Jeremy has been nationally recognized and is deemed an expert witness in courtroom testimony related to Criminal Interdiction and Hidden Compartments. Jeremy currently holds an instructor license through the Texas Commission on Law Enforcement Standards and Education (TCOLE).

As drug cartels and other criminal organizations constantly change their tactics for smuggling contraband around the United States and our communities, its imperative that we in the law enforcement profession stay one step ahead of the curve in the ever-changing dynamics of the drug world.

Jeremy's training is geared for street-level officers to highway patrol, narcotic investigators, federal agents and more.

"This class was awesome! It definitely opened my eyes as to the extent individuals would go to hide drugs, weapons and money. The instructor did not make it boring. I approve of this class! Happy searching everybody!"

"I have attended several interdiction courses prior to this one. Jeremy was the real deal. His lack of ego and look at me tactics made it stand out from other interdiction courses I have attended. On top of that, we learned in the classroom and were also shown hands on examples. This made it click. I would recommend this to any law enforcement officer new or veteran."
