

DRUG IMPAIRMENT CONSULTING & EXPERTS LLC.

BEYOND THE DWI INVESTIGATION

MAY 6, 2024

*Morris County Public Safety Training Academy
500 W. Hanover Road Morristown NJ 07960
0830 hrs - 1630 hrs*

Topic: Students will review the case law that is required for a successful DWI Investigation: the motor vehicle stop (vehicle in motion), personal encounter (when Miranda is required) and searching the vehicle (intoxicate searches and consent to search). We continue into how to properly write a DWI report. We will address what needs to be in your report and how to properly explain your observations, impairment and the field sobriety tests. Last, we will prepare the student on the techniques used by the DWI defense experts and how they create doubt in court.

There is no prerequisite is required for this class. However, this is part two of the DWI Essentials course.
