

DRUG IMPAIRMENT CONSULTING & EXPERTS LLC.

CURRENT DRUG TRENDS

MAY 20, 2024

*Bergen County Law and Public Safety
281 Campgaw Rd. Mahwah, NJ 07430
0830 hrs - 1630 hrs*

Topic: Illegal and synthetic drugs are constantly evolving. This course will review all the currently new and old drugs and how they affect a person's ability to operate a motor vehicle safely. Students will learn the various drug categories, the natural and synthetic drugs and how they display impairment.

There is no prerequisite required for this class.

Registration: www.drugimpairmentexperts.com or Email: DICELLC243@gmail.com

Course Fee: \$150 per person, Credit Card, Check or Purchase Order Accepted.

Please email all purchase orders to dicellc243@gmail.com
Invoices are available upon request.

Instructor: Brian E. Robbins has over 20 years of experience and currently is a Patrol Sergeant with the Dunellen Borough Police Department. He has been a certified Drug Recognition Expert since 2011 and a Drug Recognition Expert Instructor since 2016. Since completing the Methods of Instruction training (MOI), he has been heavily involved in department training and currently is the supervisor in charge. Sgt. Robbins has personally been involved with nearly 400 Drug Recognition Evaluations and DWI arrests. His involvement in the FTO program since 2013 has added to his experience with incidents involving impairment due to drugs or alcohol, totaling in the thousands. Sgt. Robbins has been the recipient of multiple awards over the years including Mothers against Drunk Driving (MADD) and the Driving While Intoxicated Top Gun.
