UPCOMING TRAININGS

GRAND RAPIDS Minnesota

Develop your next generation of leaders through this immersive four-day program designed to transform first-line supervisors into confident, capable front-line leaders. This reality-based course goes far beyond “check-the-box” training by delivering practical leadership skills, proven supervisory strategies, and real-world scenarios that prepare participants to lead effectively from day one. This program is designed for officers serving as Officers-in-Charge (OICs), Corporals, Sergeants, and those preparing for current or future leadership roles.
