ABOUT THE CLASS

Experience the most advanced training in criminal interdiction & hidden compartment detection with Dynamic Police Training. Our TrapMate class is designed to provide you with the most up-to-date information, materials, and techniques for conducting proper traffic stops and implementing effective search techniques.*

The TrapMate class will break down every aspect of a roadside encounter to include: pre-stop indicators, vehicle registration, sequencing identification, staged and cloned vehicle identification, case law, PC and consensual encounters, roadside interview techniques, proper searching techniques & identification of hidden compartments. Additionally, you will learn about post-seizure reporting and proper report writing to ensure a complete understanding of the process.*

The class features live videos, pictures, in-car recordings, and other materials demonstrating the process for proactive criminal Interdiction from start to finish. This course provides top-tier education that benefits students, their agencies, and the communities they serve. The dynamics of law enforcement and patterns of criminal activity are ever-changing which is why it is important to have the knowledge necessary to be successful, adaptable, and confident in the work you do.

After successfully completing the TrapMate class, students will acquire a comprehensive understanding of how to identify motor vehicles involved in criminal activity, unique interview techniques for eliciting important information, and advanced search techniques to effectively uncover hidden compartments. Additionally, students will have a thorough understanding of how to conduct these investigations legally and ethically to succeed in court. Equipped with this vital knowledge, students can make a meaningful impact as they actively patrol and protect their local communities, roadways, and highways.*

INSTRUCTOR

D

Jeremy Ellison, also known as "Trap Master J," is the Owner and Founder of Dynamic Police Training & VOCC, LLC. With over 13 years of experience in Texas and Illinois, Jeremy has seized millions of dollars in U.S. currency, over a ton of narcotics, and a staggering number of hidden compartments in passenger motor vehicles, commercial trucks, and buses. In 2014, Jeremy's bust was aired live on Fox News, where he seized 111 pounds of methamphetamine from a compartment built inside a gas tank of a motor vehicle.

Jeremy prides himself on making self-initiated "cold" traffic stops and works all his cases from start to finish, giving him a wealth of knowledge in search warrants, felony arrest warrants, civil asset forfeitures, case law, and other valuable aspects of criminal investigations. Jeremy has been nationally recognized and is deemed an expert witness in courtroom testimony related to Criminal Interdiction and Hidden Compartments. Jeremy currently holds an instructor license through the Texas Commission on Law Enforcement Standards and Education (TCOLE).

As drug cartels and other criminal organizations constantly change their tactics for smuggling contraband in and out of the United States, Jeremy is passionate about passing on his knowledge to the Law Enforcement community. With Jeremy's expertise and passion, Dynamic Police Training is the premier training platform for law enforcement officers looking to stay ahead of the curve in the ever-changing dynamics of the drug world.

Jeremy's training is geared for beginner street-level officers to highway patrol, narcotic investigators, and federal agents. "The day you stop learning is the day to hang up the badge" J. Ellison
