CATCHING PREDATORS ONLINE

A 2-DAY TRAINING FOR LAW ENFORCEMENT ON STARTING ONLINE INVESTIGATIONS

Has your Agency wanted to catch predators in your area? The internet is the new playground! This is a 2-day training on how to start online investigations for your agency. No matter how big or small your community is, predators are there or willing to travel there. The emphasis will be on chatting! You will begin chatting on day one with the assistance of an instructor, with presentations throughout both days.

INSTRUCTOR:
DAVE MURGUIA

MURGUIA
ONLINE INVESTIGATIONS LLC

INSTRUCTOR: DAVE MURGUIA

Dave Murguia is a Sheriff's Deputy with 20 years of law enforcement experience. He has conducted numerous online enticement and sexual exploitation cases. These cases have been at both the state and federal level. The cases have primarily been in his jurisdiction but have also led to the identification and prosecution of predators in various parts of Iowa, throughout the United States and several other countries.
